Other Interests

Economics – Interested in the Austrian School of economics and cryptocurrencies like Bitcoin. Attended conferences put on by the Foundation for Economic Education (FEE), Students for Liberty, and MIT Bitcoin Expo.

Furniture Making – I'm an amateur woodworker / furniture maker. I've taken classes at Lost Art Press and built several stools and chairs.

Live Music – I am a big supporter of live music. I have volunteered at several music festivals, built an application to facilitate fans trading tickets, and built a parody campaign for president called Panic 2016.
